

TUCKER

Tucker is a tricolor Cavalier King Charles Spaniel. He was born on March 9th 2007. His AKC name is Sevenwoods Gray Stone Fionn. Tucker became a family member in August 2007. Tucker started agility training at Jazz Agility in July 2008. His first CPE trial was May 9th and 10th 2009. Tucker earned qualifying scores in Colors - Level 1 and Standard Level 1. Tucker definitely has a mind of his own and chooses when he is ready to make the first jump. That first trial was a good experience for the both of us and we keep improving. Tucker and I are having lots of fun and making new friends all the time. I know we are both having fun when he runs and barks at me and can't wait to get in the van to go to class. We can't wait to the next trial.
